## **VFW Priorities Enacted into Law:**

On Dec. 20, 2019, the President signed the National Defense Authorization Act for Fiscal Year 2020 (NDAA). The NDAA includes a 3.1 percent pay raise for troops and 11 improving occupational license portability for relocated military spouses. Other important VFW-supported provisions include expanding Arlington National Cemetery, granting full military honors for Medal of Honor and Prisoner-of-War Medal recipients, directing DOD to conduct post-deployment medical assessments for burn pits, toxic airborne chemicals, and other airborne contaminants, and incorporating blast exposure history into service members' medical records. The NDAA also ends a decades-long fight to eliminate the Widow's Tax, which forced the survivors or military retirees and those who die on active duty to forfeit one earned benefit for another.

## Facing the Future

Once again here we are facing a New Year. I hope everyone had a great Holiday Season and blessings were many. Your work on VFW programs and other Community involvement should be nearing completion for the year. Our next big achievement is getting our membership up to date, this by far is one of the most important accomplishments a Post can achieve. Not only does it show interest in our membership but it gives us the voice we need to be heard in our Community, State, and Nation. I cannot say how important it is in any new way or give you an idea that you have not heard before, and I have no gimmicks or slogans that can make things easier for you. But I know from experience that if you pick-up the phone and call or better yet visit those members slow in renewing there is a much better chance of them staying on board. Simply said, people appreciate the personal interest you have in them. What we do in our Communities attracts membership, how we treat them and let them know how important they are keeps them engaged. We as leaders and Comrades must make the effort to keep on our rosters all members. Our future depends on our numbers and our Duty is to look after our membership. So do your best to contact and support your membership, the Future of our VFW depends on it!

Looking forward to seeing all of you at the Mid-Winter Conference, there will be a lot going on, winners to be announced, training to be done so don't miss out!

**State Commander  
C. M "Mickey" Carroll**

**Get Well Messages:  
To all recovering from illness and surgeries. Blessings to all!**

*"No One Does Alone For Veterans"*

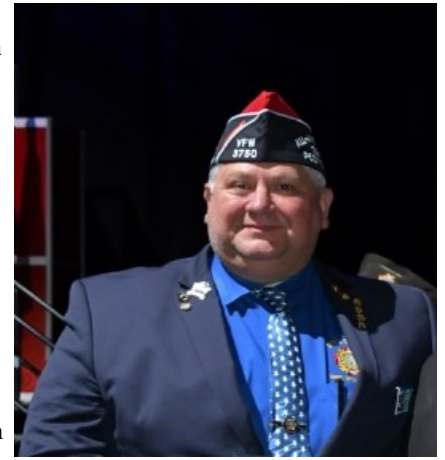

## A note from the Senior Vice Commander....

I hope that all members of the VFW and Auxiliary have had an outstanding Holiday Season and spent quality time with family and friends. Being around loved ones whether blood related or not can bring a sense of stability to those who are having trouble dealing with issues brought before them. During this time of year it is very important to keep in touch with those who need that little extra sense of security.

Programs should be wrapping up with Department level judging being completed and Awards to be presented during the Mid-Winter Conference. Thanks to all Post and Districts who took part in the selection of the District winners that were forwarded to the Department Chairman. Now it is time for us to concentrate on Membership, we have only 3 Posts at 100% thus far and have few within striking range. If everyone would get involved and assist the Post Membership Chairman collect dues it would make it a lot easier for all. Membership is one Program that needs involvement from all Post members to help make this a success. Reach out and assist where you can and let's get Louisiana to 100% once again.

As we begin visiting the Districts during this round of meetings, please make every effort to have representation from all Post within the District present. Bring the successes of your Post to share and let's complete the Community Service Reports online to pound your chest about all the good you have been doing. Adjutants need to access the All American Dashboard to do your inputs and District Commanders and Adjutants need to approve so that our Post and Districts can get credit for their hard work.

Funds are still being raised for the National Desert Storm War memorial and thanks to those Post and Districts who have already donated. This is the last year of our fundraising efforts for the memorial, and I hope that all Posts and Districts step up and donate to make this become a reality for all of our Desert Storm Veterans.

**State Sr. Vice Commander  
Robert "Bobby" Lovergne**

## A note from the State Junior Vice Commander.....

Throughout the holiday season, it was great to see all the community involvement at the post level. From holiday parties, breakfasts with Santa and parades the VFW presence was seen. As we move into the new year and all the programs are finished and reports submitted, we need to stay in the community's vision for the last program, membership. Invite community leaders and representatives to your awards banquets to show them what we do for the youth, law enforcement, firemen, and EMT's. Get them involved in helping to recognize their own by having them help pass out awards. Get it into the news media. If the community see that their chosen leaders are involved with your posts then they might get involved also.

I would like to thank everyone for the community service reports that have been submitted. The online system is working and will get better with the improvements that are being implemented with the form and the data reporting. The spreadsheet with all the data will be up to date at the Mid-winter conference. This is one of the improvements that is being worked on to streamline the process so that you can see everything that is being counted. For those of you that are using the online reporting, please continue to use it. For those that are still sending in reports through the mail or e-mail please try and use the online reporting system. And again, thank you for your patience with the new system and allowing it to work.

I will leave you with a quote from General Stanley McChrystal. "There's likely a place in paradise for people who tried hard, but what really matters is succeeding. If that requires you to change, that's your mission."

See you around the state!

**State Jr. Vice Commander  
Tim Sloan**
